

GUIDE TO USING ALTERNATES

Team Coaches & Sponsors:

Please read and understand the following before using alternate players in the SCI team events.

Substituting Players/Using Alternates It is extremely important that players on your roster play in the **EXACT** order listed. Players who play out of order and on the wrong board **WILL BE FORFEITED**. The example below is an example of a team of four players with two alternates.

First, list all of your players in **ORDER OF PLAYING STRENGTH**. In this example consider the following 6 players -

1. Judith
2. Paul
3. Walter
4. Nick
5. Susan
6. Bobby

EXAMPLE: Players crossed out in this example are “sitting out” for that round. The numbers beside each player represent the board number they will be playing for that round.

<u>Roster</u>	<u>Round 1</u>	<u>Round 2</u>	<u>Round 3</u>	<u>Round 4</u>	<u>Round 5</u>
1. Judith	Judith	1. Judith	Judith	1. Judith	1. Judith
2. Paul	1. Paul	Paul	Paul	2. Paul	2. Paul
3. Walter	Walter	Walter	1. Walter	Walter	3. Walter

Team captains will be the **ONLY** players allowed to stay in the playing area until all four games have finished. It is the captain’s responsibility to ensure that the round result sheet is filled out correctly, signed, and turned in to the scores table. Please remind your captains that while they are spectators to their teammate’s games, they must remain silent and never communicate to either player or interfere in the game. The penalty for doing so will likely result in a forfeit loss.
